SUSTAINABILITY & SOCIAL RESPONSIBILITY

Renew

Responsibly crafted from up-cycled rice hulls with the durability of wood and fully water resistant. The modern design of the collection seamlessly blends functionality, durability and environmental responsibility.

Cal-Mil is dedicated to advancing sustainability goals, mindfully overseeing the production process, and maintaining a traceable and ethical supply chain. Focused on three core areas, we strive to drive positive impact, with a central commitment to creating a better environment.

Mindful Sourcing

As manufacturers, we take the responsibility of choosing our raw goods seriously and with the planet in mind. We are keeping our promise to use wood that is recycled or to use sustainable species such as Bamboo, Oak, and Pine. We now offer a closed-loop solution for our wood, metal and melamine products, recycling used pieces into new products!

SUSTAINABLE FACTORIES & WORK PLACES

North American factories focus on efficient packaging and waste reduction, while our California office promotes electric vehicle use with charging stations and brand new solar electricity.

ELIMINATING HARMFUL WASTE

We are proud to make our own packaging boxes with minimal materials that fit our products perfectly to size. Corrugated waste is now repurposed, eliminating the use of non-biodegradable foam.

GIVING BACK

Since 1965, community involvement has defined us. Committed to expanding our impact as we grow, community support remains a top priority.

RECYCLING

We achieve our sustainability goals by recycling 100% of plastic waste. Our recycling center sorts plastic leftovers from cut sheets, preventing any waste.

FEEDING
SAN DIEGO

Established in 2007, Feeding San Diego is the leading hunger-relief and food rescue organization in San Diego County and the only Feeding America partner food bank in the region. Feeding San Diego provides more than 35.4 million meals every year to children, families, seniors, college students, military families, veterans, people facing homelessness, and other underserved populations.

We distribute meals in partnership with nearly 350 local charities, schools, faith communities, meal sites, and food pantries throughout the region.

SOLUTIONS
FOR CHANGE

Right now, 20 million people are stuck in The Churn in the United States—including millions of stressed parents and children without a stable place to grow. Since we opened our doors in 1999, we have seen how homelessness and poverty trap people in a cycle of hardship, temporary relief, and dependency. This cycle is what we call The Churn—it's a costly and futile cycle that captures the most vulnerable and keeps them and their loved ones trapped. Our goal is to teach people to fight The Churn, and help them overcome to live happy, independent lives.
