Fine table lamps

Fourth edition

Dear friends of ksi®,

you know that ksi® is a premium supplier of high quality lamps.

Our efforts to achieve excellent results in quality, design and service have created a tailor-made collection which meets the individual requirements of our demanding customers.

Whether classical style, vanguard elegance or pure minimalism – our designs always combine beauty with functionality.

With precious materials being processed in high quality, the ksi® lamps unite elegance and impressive green ambiance – at highest security.

Choose between the natural flame of the unique ksi® special cartridges and the leading technology of rechargeable accumulator operated LED lamps with the cordless ksi® LED.

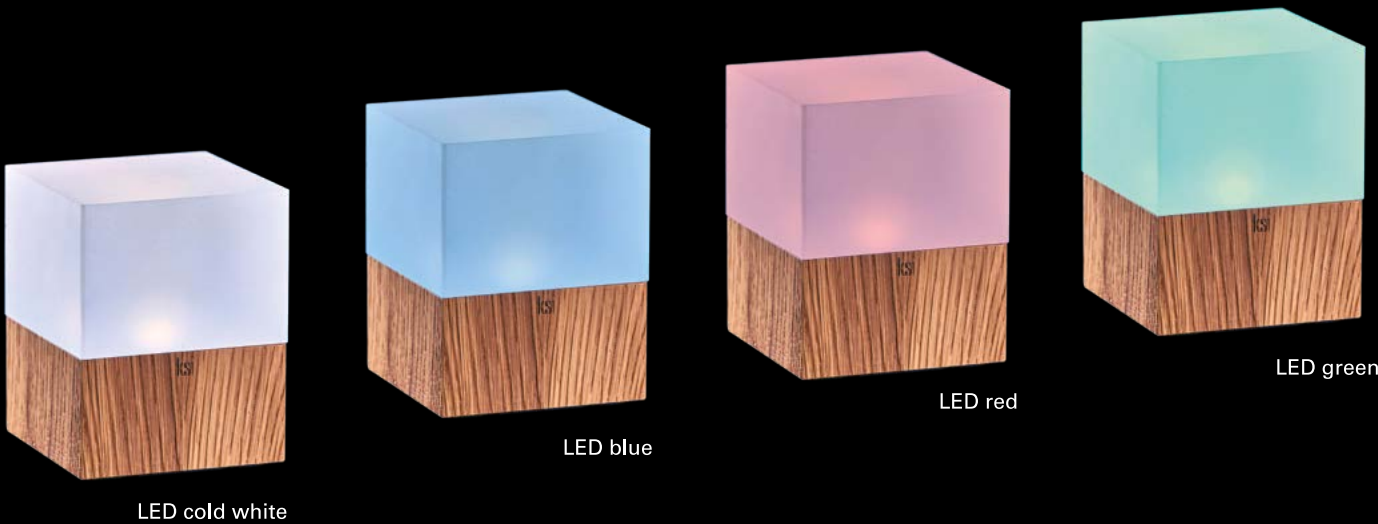

All made in Germany.

Your ksi® team.

ksi® Fine LED Lamps

ksi® IR Remote

Rechargeable and cordless ksi® table lamps - for the world's finest hotels and restaurants.

Product Features:

- up to 120 hrs. operation time
- 90 minutes charging time
- 16 LED colors
- dimmable & flickering option
- exclusive design
- infrared remote-controlled
- highest quality
- tailor-made

Due to the fact that stone and wood are natural elements, there may be slight variations in the colour and size. However we feel that this gives each of our lamps a unique touch.
